

The Tea Ladies Present: My Grandmother's Apron

Thursday, September 24th, 6:00 pm

Location: Tremont Community Center, across the street from
the library.

Wear or bring your favorite vintage apron and join us as we recall women's household duties of decades past such as hanging laundry, gardening, canning, baking, filling button boxes, stocking the pantry, and sharing recipes. We will show you just how many aprons ladies could wear in a day! Truly a presentation that brings fond memories to everyone.

This program is free and open to the public, but seating is limited.
