

Tremont Winning Communities

Building a Winning Community

“IT IS EASY TO SIT UP AND TAKE NOTICE, BUT THE CHALLENGE IS TO STAND AND TAKE ACTION!”

Happy New Year! It is time once again to gather and continue to take action in our effort to better our community. Here is a general reminder of what we have worked towards over the past few months:

People in the Tremont area are gathering to develop a revised Vision and Plan of Action to make our community a great place to live in the 21st Century! This is a reminder of your opportunity to participate in this exciting opportunity to continue improving our area and making Tremont a beautiful, lively place to live and work.

The program, called *Tremont Winning Communities* has worked to involve the ideas and input from citizens like you. The objective is to develop a renewed, shared Community Vision and Plan of Action that is based on the values and ideas of all citizens established in the 2007 Vision/Action Plan. We are looking to include all those who have a passion for our community and who actively seek to aid in our community's journey toward growth and prosperity. We feel that you could be a valued asset in this journey!

The first meeting of the year will be next week on January 21st at 7:00 p.m. The time to decide is NOW. In our previous meetings community members have come together to highlight areas of the community that they see as lacking. It is now time to decide which of those items take preference and what our first steps should be as a larger body.

The categories that will be discussed include:

- Arts, Recreation, and Leisure
- Image and Appearance
- Community Development
- Economic Development
- Technology

The meetings will be held in the Tremont High School Auditorium.

If you haven't been able to attend a meeting, do not let that you stop from coming to the upcoming meeting. Your voice can and will be heard if you choose to attend our meeting on the 21st. If you have attended past meetings, thank you and please continue to make your voice heard. Thank you in advance for accepting the Tremont *Winning Community* challenge. We excitedly look toward the future and all the possibilities awaiting us as we move forward. We will indeed make a difference.
