

Tremont Community Field Trip

Art Institute of Chicago

Projected Date: Saturday, April 16th 2016

“Vincent van Gogh’s bedroom in Arles is arguably the most famous chambre in the history of art. It also held special significance for the artist, who created three distinct paintings of this intimate space from 1888 to 1889. This exhibition—presented only at the Art Institute of Chicago—brings together all three versions of The Bedroom for the first time in North America, offering a pioneering and in-depth study of their making and meaning to Van Gogh in his relentless quest for home.” (Art Institute of Chicago, 2016).

I am excited to announce, I will be organizing a group field trip to the Art Institute of Chicago. As a group, we will have the opportunity to view the Art Institute of Chicago’s vast collection of Impressionism, American, Modern, and Contemporary Art, in addition to having access to the Van Gogh Bedrooms. The field trip is open to adults, seniors, and students. Students who are not currently in high school must be accompanied by an adult.

In order to receive a group rate, I will need to know how many individuals are interested in the outing, then book the tour at least 21 days prior to the projected departure date. The Art Institute of Chicago will confirm reservations within 10 business days of the group reservation. At that point, I will have more details concerning departure and return times to Tremont. A minimum of 25 and/or a maximum of 55 individuals are required for the group field trip.

Reserve your paid spot by completing the registration form **by February 26th, 2016** (sorry, refunds are not available if you decide not to attend the outing).
