Bridge the Gap II is coming Saturday, March 21st!

This initiative is a call to action for the community to help our school “bridge the gap” between the state’s shortfall in funding and our continuing goal of educational excellence. Last year, local residents pitched in for over \$130,000. We are \$70,000 short of our very ambitious goal of \$200,000, which we hope to meet this year! Thank you for your support!
