Hopedale Medical Complex announces two new doctors and the location of future Tremont Doctors Office

Hopedale Medical Complex is pleased to announce the addition of two new Tremont physicians who will join its medical staff on October 3, and the opening of a new Tremont satellite office early next year.

Dr. Trent Proehl, a board certified general surgeon and primary care physician, and his wife Dr. Rebecca Proehl, a board certified internist/pediatrician who specializes in women's health and children, have moved to Tremont with their two children from Pontiac where they have been practicing medicine the past dozen years. In the early spring of 2017, the Proehls will establish a NEW DOCTORS OFFICE IN TREMONT in a newly constructed building next to Jack's restaurant just off I-155 near the intersection of Baer Rd and Route 9. Until then, Dr. Trent Proehl will practice both primary care and general surgery working out of Hopedale and its satellite offices, while Dr. Rebecca Proehl will work exclusively out of Hopedale's Medical Arts Office. The Proehls will move their practices to the Tremont location when the building opens next year.

The Proehls are firm believers that "bigger is not better" in medicine, and they pledge to provide one-on-one physician-directed "five star" service in a friendly, small town family atmosphere. They share the excitement with HMC of this new opportunity in Tremont and are very pleased to return to their roots in Tazewell County.

NEW PATIENTS ARE NOW BEING ACCEPTED by calling 309-449-4338.
