Tremont Oil Company has been in business for 94 years. With six employees, they offer full service gas pumps, self-service diesel pumps and bulk fuel delivery of gasoline and diesel to farms, commercial businesses, schools, park districts and other government agencies. They provide tire sales and repair on nearly any size tire. Tremont Oil also offers oil changes and mobile tire service.

Here's something about Tremont Oil that you might not know. "Glenn Gibson started Tremont Oil Company in 1924. At that time, the fuel he sold was delivered to Tremont Oil by train. The train ran on tracks that were just to the north of the current Route 9. An underground pipe ran from the train tracks to the fuel storage tanks at Tremont Oil. The fuel was pumped off the train through the underground pipe into the storage tanks at Tremont Oil."
