Weekly News Donations

In the fall of 2016 we held community meetings to solicit resident's opinions on projects that would benefit the community. From those meetings it became very clear that the one project that was most beneficial was the establishment of a community newsletter. So, we (Tremont Winning Communities) began the task of producing a community newsletter. We are now sending our weekly newsletter to over 600 residents.

We need your help! The cost associated with the development of the technology infrastructure, gathering news and producing the newsletter has become a financial challenge for our organization. Although we receive some advertising revenue it has not been enough to offset our weekly cost.

We are reaching out to present recipients of the newsletter for help in continuing this valuable communication tool. If you can help with any kind of donation it would be much appreciated. TWC is a 501C3 organization qualified for charitable contributions by the IRS.

Please consider a donation to:
Tremont Winning Communities, P.O. Box 76, Tremont, 61568

Thank You,
Brock Butts, President TWC
