Tremont Garden Club

The Tremont Garden Club will meet Tuesday, July 10, 2018, at the Community Building at 6:30PM.

Please come and see what the club is doing.

Everybody welcome.

Weekly News Donations

In the fall of 2016 we held community meetings to solicit resident's opinions on projects that would benefit the community. From those meetings it became very clear that the one project that was most beneficial was the establishment of a community newsletter. So, we (Tremont Winning Communities) began the task of producing a community newsletter. We are now sending our weekly newsletter to over 600 residents.

We need your help! The cost associated with the development of the technology infrastructure, gathering news and producing the newsletter has become a financial challenge for our organization. Although we receive some advertising revenue it has not been enough to offset our weekly cost.

We are reaching out to present recipients of the newsletter for help in continuing this valuable communication tool. If you can help with any kind of donation it would be much appreciated. TWC is a 501C3 organization qualified for charitable contributions by the IRS.

Please consider a donation to:
Tremont Winning Communities, P.O. Box 76, Tremont, 61568

Thank You,
Brock Butts, President TWC

Tremont Park District

Tremont Park District would like to thank Tremont Lumber for donating material to re-roof the dugouts at Cullinan Park Ballfield. We also wish to thank the volunteer parents for their labor and time to get the job done. The dugouts look great. We appreciate our community support.

Tremont Park District would like to thank Tom Nieu Kirk, T3 Tri Club, volunteers, and sponsors for organizing, administrating, donating and volunteering for the Tremont Triathlon. Both the Tri and the Mini Tri were a great success this year. Without these volunteers, it would not happen. To all the volunteers and participants... We thank you!
